JULY 27, 2015

Gas Utility Relocation **Crenshaw BI, Vernon Av to 48th St**

Summary

In preparation for the next stage of construction, Southern California Gas Company will be relocating a gas line on Crenshaw BI from Vernon Ave to 48th St. This utility relocation is necessary in order to construct the railway tunnel and portal.

The work is scheduled to last approximately 6 weeks, nightly Monday through Saturday, starting July 27th.

The work will impact southbound traffic with interruption to the #1 lane.

Essentials

WHAT: Gas Utility Relocation

WHEN: starting July 27, 2015. Monday through Saturday, from 9pm-6am. (weather permitting).

WHERE: Crenshaw Bl, Vernon Ave to 48th St.

ACTIVITY DURATION: approximately 6 weeks

What To Expect

The work will impact the #1 lane southbound.

One lane of traffic will be maintained in each direction.

Access for Emergency services will be maintained.

Additional relocation of utility lines involving closures is anticipated to occur in this area in the near future.

Noteworthy

Name the Tunnel Boring Machine

Pre-kindergarten through 12th grade students are invited to compete in a naming and art illustration contest for the new Tunnel Boring Machine (TBM) that will dig twin tunnels to connect three underground stations on the Crenshaw/LAX Transit Project. For more information on the naming and art contest, visit www.metro.net/crenshaw
